Subject: revised methanol Charge - to add some background re RI
Attachments: methanol_EPR charge_noncancer_03-21-11 track changes.doc

I lifted and edited the current Note to Agency Reviewers to insert key background information into the draft Charge for the methanol noncancer assessment. I also restructured a couple sentences (though I make no claim to be expert at the English language).

Please see attached and let me know of any changes you think would be useful.

Thanks,

John
